

# UTOPIA:PROJECTS

...together, we create

Partner with Utopia Projects and let us help you create the ultimate look and feel to all your bathroom projects...

Utopia Projects is a new breed of Bathroom Consultancy based in Yorkshire, serving the UK and Europe. From small developments through to high profile prestigious multi-million pound contracts, a Utopia bathroom turns a vision into reality, and it's all down to the choice of materials and vast knowledge, creative flair and technical ability of our staff. No compromise has been made in creating our stunning product portfolio. Painstakingly chosen, only the highest quality products innovatively created by Europe's leading manufacturers have been included; definitely the best of the best: Villeroy and Boch, Gessi, Hansgrohe, Keuco, Dornbracht and more.

## 7 reasons to partner with Utopia

### Time

...is money. We understand that your time is limited and aim to remove the hassle and lighten your load. It makes commercial sense to partner with Utopia Projects because we really will save you both time and money.

### Design

Some would say there's too much choice, so you may need help pinpointing the perfect blend of products for your project. Our highly-trained creative staff will happily navigate you around our extensive selection, whilst sharing their technical knowledge to ensure you source every item on your creative wish list, however complex.

### Free Consultancy

Whether it's a five minute phone call or a two year multi-site project, there is no charge connected to our consultancy service. We are always just a phone call away, and happy to visit site should you need us to. Purchasing your products through Utopia Projects enables you to take full advantage of our vast knowledge and experience, which is priceless.

### Full Technical Back-Up Service

Prior to your project starting on site, you will receive an information pack containing all the technical installation requirements, drawings, pipe centres and information you will need to get the job completed. We are also happy to arrange product training for your contractor.

### Specification

Your spec list, your budget, your delivery deadlines, everything is handled with absolute precision. You can be confident that our involvement in your project will be organised and proficient at all times, good housekeeping is vital for the success of every project.

### Precision Scheduled Deliveries

The stock you require will be available exactly when you need it and where you need it - anywhere in the UK. So if your contractor needs to receive product in stages, together we'll devise a delivery schedule to ensure everything happens seamlessly.

### After sales

Our aftersales service is as full-on as our before and during sales service! It's the only way we know you'll keep coming back again and again, because without you, we don't exist!

No matter how tight your budget or timescale, Utopia Projects has a host of trade secrets to ensure you achieve something truly special!
